WELCOME TO THE ONTARIO SPORTS EMPIRE!

A New Era of Sports, Competition & Community

We are excited to welcome all parents, coaches, league managers, athletes, and families to the brand-new **Ontario Sports Empire (OSE)!** As we open the fields to this incredible new sports destination, we look forward to providing an outstanding experience for everyone who visits.

With thousands of athletes, families, and spectators expected during our first several weeks, we understand there will be a learning curve as everyone becomes familiar with the facility, field locations, parking areas, traffic flow, and daily operations.

Our team is working diligently to make your experience as organized, enjoyable, safe, and productive as possible. We sincerely appreciate your patience, cooperation, and understanding as we work together to make this exciting transition a success.

Your cooperation and positive attitude will make all the difference!

We kindly ask everyone to demonstrate patience, courtesy, respect, and good sportsmanship toward fellow visitors, staff, coaches, officials, and other families. Please take a few moments to review the attached facility map, parking information, directions, and rules and regulations before arriving.

Following posted signs, respecting designated parking areas, and adhering to facility guidelines will help reduce congestion and ensure a smoother experience for everyone. We recognize that the first few weeks may bring unexpected challenges, and we appreciate your flexibility as we continue improving our operations.

Thank you for being part of the Ontario Sports Empire community. Together, we can create a welcoming, positive, and first-class sports environment that athletes and families will enjoy for years to come!
